### Label Que Maintenance Filters

#### Column Filtering

The Label maintenance has new expanded filtering options available. This works from a new filter button available on each column - when clicked it will provide a list of available values within that column that can be selected.

Label Queue Maintenance

### Label Que Maintenance Filter extensions

The filtering options in Label Que maintenance have been extended to allow for filtering by any text entered.

This is available from the first row in the grid.

Typing in the filter cells and pressing enter will automatically filter the data in the grid

The default method used is to filter based off any text within the cell.

Product Code	UOM	Description	Bin	Dept	Supplier	Shelf Type
100060061	EACH	Lysaght Quad		005	BLUESC	
<a href="#">QV115EBXMNR</a>	EA	Quad Gutter		005	BLUESC
