

Become part of Australia's fastest growing digital receipt network

Understand and engage your in-store customers with Slyp Smart Receipts

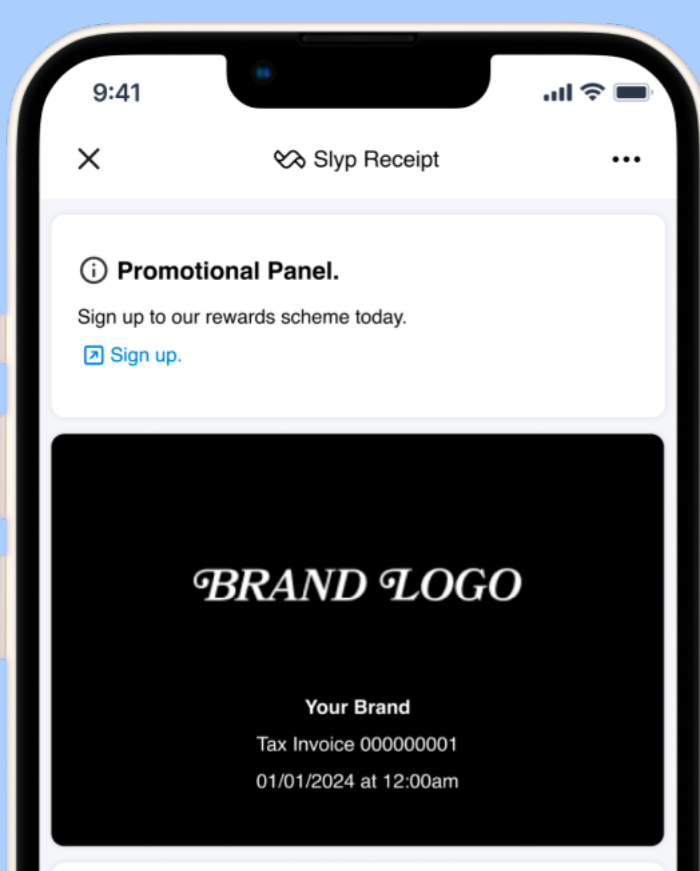

Single standard. Multiple channels
Slyp makes digital receipts accessible for everyone by delivering tax compliant Slyp Smart Receipts seamlessly inside your customers' mobile bank app, via SMS or email.

Bridge offline and online customers
Integrate promotions into your Slyp Smart Receipts to bridge the gap between your offline and online customers and increase repeat purchases.

Surpass your sustainability goals
Paper receipt production produces more emissions than digital alternatives. Switching to Slyp Smart Receipts is an effortless way to reduce your environmental impact.
